“ONLY GIRLS” ... meet at DA KIND SOUPS

Visit with friends as you taste the Darin’s delicious soups!

March 24 Wednesday 12:30 p.m.

“... This place has fantastic soups! Ten different soups every day, all worth tasting (and they happily give tastes of them all). Also, they have fantastic grilled sandwiches. The Pastrami Reuben and the Tomato, Basil, Mozzarella drizzled w/ Balsamic Syrup are my favorites. It is a little locally-owned place and they are always super friendly. They also sell boil-in-bag quarts of their soups to take home which makes the trip even more worthwhile...”

Above is a copy of a review on the internet....

Last year we had quite an ENC crowd and a wonderful time at Darin and Ariane’s well known soup specialty restaurant. This is a favorite, for sure.

Stop by after your hike or your errands to see friends and to make new ones!

“MOUNTAIN-MADE from SCRATCH with KINDNESS” is the motto... and all of us who have eaten lunch at Da Kind Soups know it is fitting. Ariane and Darin offer gentle and kind spirit each time you enter this favorite Evergreen spot.

Hope to see YOU! Members and non-members are welcome.

Please check the website!
