Saturday, August 14th  
10:00 a.m. – 12:00 p.m.

Come join us for our annual membership drive and sign-up for new and current members at Evergreen Fire Rescue. Current members are encouraged to come! Coffee, an array of breakfast pastries, as well as refreshing beverages will be served. Families are welcome. Our Activities Chairpersons will be present to answer your questions, sign up members, and distribute information on the club's choices of activities. You'll have an opportunity to meet our friendly Board Members and, if you're interested, tour part of the Fire Rescue facility. The Fire Rescue team has graciously offered to present an informative demonstration on home fire safety, featuring hands-on training for using fire extinguishers, carbon monoxide detectors, smoke alarms, and other important safety products. This is a wonderful opportunity for all those who've ever wondered how those things in the glass boxes really do work! No reservations needed. Just show up and receive information about the upcoming membership year, pay your annual dues (\$30 per household), and meet some great folks who enjoy this fun-filled organization!

The Evergreen Fire Rescue is located at 1802 Bergen Parkway in Evergreen, 303-674-3145, [www.evergreenfirerescue.com](http://www.evergreenfirerescue.com).

## Community Outreach News

Blue Spruce Habitat for Humanity will begin to build a new house in the Brook Forest area of Evergreen. Once again, our club will participate with one or two "build days" in late September or early October. The next newsletter will have more details, but meanwhile, check out their website at [www.bluesprucehabitat.org](http://www.bluesprucehabitat.org).

The Evergreen Nature Center needs more summer volunteers. Housed in the historic log-warming hut at the end of the unpaved road just southeast of the Evergreen Lake House, the Nature Center is open during the summer, Wednesday through Sunday, from 10:00 a.m. to 4:00 p.m. Volunteers are needed to greet visitors, answer questions, and provide access to information about plants and animals in the Bear Creek watershed. If interested, call 303-330-0489.

Check out more volunteer opportunities on our website at [www.evergreennewcomers.com](http://www.evergreennewcomers.com).
