

## **ENN Volunteer Day at the EChO Shelter Program**

You may choose how you want to support this project. You could bring ingredients and a recipe to create a main dish for about 15 people or you may come to help prepare and cook the meals that others bring. We will freeze these in individual containers for use during the cold weather shelter season that will begin on October 1st. The shelter has needed items to prepare the food, some pots, some pans, appliances, utensils, a large oven, stove top, microwave, and individual freezer containers. Those who come will enjoy a tour of the shelter. When the meals are complete, we will each select a meal of choice, and we will gather and eat lunch in the dining room. This will be a fun event and it will help the shelter prepare for the season.

The EChO Shelter Program is housed on the bottom floor of the Church of the Hills at 28628 S. Buffalo Park Road, Evergreen, CO 80439.

Please sign up as quickly as possible! Thank you for your support and for your interest in serving those in need in our community. See link below.
